This is another madoff feeder out of Switzerland – note the fees 0.75% and 33 % incentive. Another one for the modeling???

Rupert,
Sorry no word today. I hope to hear on Monday morning. That said, the release is in the hands of a Swiss banker and often they don't respond to any one's timetable except their own.

That said, I do have \$10- 20 million in Santa Clara Fund available if you, per chance, are looking for some exposure to Madoff leveraged. Through Sept 19th it was up 1.79%. Please see the attached if interested.

Hi Chris

Sorry to bother you but did you get the chance to get the confidentiality release on the two Swiss lenders that you mentioned may have an interest in Madoff financing?

Thanks

Rupert
